- Consistent, 2002-2016 Awardee “Top Pediatricians” by Consumer Council of America
- Diplomate, American Board of Pediatrics
- Fellow, American Academy of Pediatrics
- President, UST Medicine Class 1967 Foundation, USA, Inc. 2013-2017
- Active participant and generous benefactor in all Class 1967 projects especially those relating and with direct and indirect benefit to UST Faculty of Medicine and Surgery
- Major donor to the establishment of the Ultrasound Laboratory of the FMS. Their generosity, added to other donations from another classmate as well as the USTMAAA Foundation led to the establishment of the Ultrasound Laboratory. This is quite relevant as Ultrasound had been integrated into the medical curriculum of the FMS commencing Academic Year 2014-2015. Furthermore, their generosity with the additional funding from the Class 1967 made possible the renovation and refurbishment of the 3rd and 4th Floors of the the previous FMS Skills and Simulation Center for the Health Sciences. On January 13, 2017, the FMS SSCHS renamed as the Class 1967 Skills Facility during the Turnover Ceremony of the Class 67 Golden Legacy to the Faculty of Medicine and Surgery. The Skills Facility Building house the Surgical Skills- 1st Floor, Life Support Center-2nd Floor, Ultrasound Skills-3rd Floor and Clinical Skills- 4th Floor.
- Participated in the Class Gawad Kalinga and Kadughan Breast Cancer Projects
- Helouise is a true personification of grateful alumni besides being a caring and compassionate physician, a loving wife, mother and grandmother and a colleague to all of us
